Chatrams.

3. There are two Anna (feeding) chatrams in the District maintained by Government, one at Kadur and the other at Tarikere on the Bangalore-Shimoga High road. The chatram at Kadur enjoys a cash grant of Rs 50-2-0 and that at Tarikere one of Rs 57-6-0 per mensem. An establishment of one cook and one sweeper is maintained at each of these institutions at a total cost of Rs 18/- per mensem; an allowance of Re 1-½ is paid from the Kadur chatram to the Pujari of the Anjaneya Temple and Rs 31- is similarly paid from the Tarikere chatram for "puja" in the

Prasanna Someswara and Anjaneya temples at Ujjampur and the remainder of the grant, namely, Rs 39-10-0 at Kadur and Rs 45-6-0 at Tarikere, is devoted to the feeding of, and distribution of rations to, travellers.

4. In addition to these, there are three chatrams constructed by private persons for the upkeep of which, they have been granted inam lands under the Land Revenue Rules, viz:

(1) Thiggimakki Malleshaiya's chatram at Harihanpur, Tarikere Taluk.

(2) Narasamma's chatram at Birur, Kadur Taluk

and (3) Narasakpaichatram at Hirekattur, Jaffna Taluk.

5 Of these, Mallawaiis chatram at Harikarpan is the only one that is maintained in a satisfactory manner. The building is in good order and feeding is satisfactorily conducted. The chatram is endowed by permanent trust lands assessed at Rs 225/- subject to the payment of a yearly rent of Rs 31-4-7.

6 Vanasamma's chatram at Kurunagala Inam land assessed at Rs 2121- subject to the payment of a yearly rent of Rs 29-6-0 per annum - the building is in good order.

the portion of it set apart
for the use of Non-Brahmins
requires to be re-roofed.
Since the death of the
founder, Mr Narasamma,
feeding has been dis-
continued in the Chatram.
The building too was not
available to travellers
for some time owing to
the outbreak of Plague
at Bimeri, but Mr
Narasamma's Son
Rama Rao who lives
in Nanjangode was
called upon to throw it
open to the travelling
public and he has done
so. The founder probably
intended that the income
from the rental of the
shops constructed in
front of the chatram
should be devoted to

meet the feeding Expenses in the chatram and Enforcement of this institution is under consideration. A rep has been submitted on this Subject in correspondence ending with this office letter No. 566 dated 10th June 1904.

7. The chatram at Sirekatur which enjoys Inam lands assessed at Rs 79/- Subject to the payment of a Jodi of Rs 11/- has been finally closed and the building appropriated by the late Mr. Narasappa's son Venkatagiriappa for private purposes. He desires to resign the Inam granted for the chatram and to

make the building has
ever been under orders
from Government conveyed
in Proceedings of V° R 3805-7
dated 31st March 1903, he has
been informed that he
cannot convert the
chatram into a private
dwelling house and
his appeal is pending
before Government —

Hindu Temples. — 8. There are 677 Hindu
Temples enjoying cash
grants from Government
some of which are also
in the enjoyment of
inam lands. Besides
these there are 104 temples
supported purely by
Govt

Inams. Out of the former, 596 institutions appertain to the Bhutas, Chowdies, Māris and other minor deities peculiar to the Malnad. These institutions formerly enjoyed Inams in private holdings or wargs, which were converted into cash grants at the Inam Settlement. The grants from Government vary from 5 annas per annum in the case of a chowdi at Kommaradde in the Mudigere taluk to Rs 213-13-0 allowed to the Srikalaseswara temple at Kalasa in the same taluk.

Q. With a single Exception, [illegible]

change in the cash grants during the year under report. The grant of Rs. 10-2-0 sanctioned for the Kote Channakesava Devaru temple at Nittur was resumed as the image of the deity was broken and no worship rendered in the temple, and it was transferred to the Chandramouleswara Swami and Anjaneya Swami temples newly constructed at Uppahally in the Chikmagalur Taluk under the authority of Government Proceedings No. 1046--55 dated 5th November 1903.

10. The income from Government cash grants and Inam lands is supplemented in the case of some temples by the

of interest and income

12. The Srikalaseswara Swamy temple at Kalasa and the Sri Rushya Sringeswara temple at Kigga (Nos 1 and 2 in the above list) take the foremost rank among the Hindu Institutions in the District, barring the Sri Saradamba temple and the Matt at Sringeri which enjoy an Extensive Jaghire under the Management of the Sri Jagadguru The Pasalik Patels of these two temples have been revised by the Muzrai Secretary and the Inam lands are under Government Management. The management of the affairs of the Kigga temple had been left in the hands of a Vaidika

owing to whose neglect they drifted into confusion A regular jamabandi of the lands of this temple was accordingly conducte and the accounts scrutinized and placed on a proper basis. Individual Pattas were also issued to ryots cultivating the Inam lands. The Suttas payable by ryots were also revised with their consent and steps taken to recover the outstanding balances.

13. The Jamabandi and the Jasdik Patti of the Melgur Venkataramana Swami temple was revised during the year under report, resulting in an increase of revenue and proper distribution of work. The revision ~~of~~ in the ~~rates~~ rates

Sanctioned in G.O No 761-2 dated 17th August 1904
will take effect from 1st July 1904

16 Of the 21 Hindu Mutts in the District, some are in the enjoyment of cash grants from Government

19. A Sum of Rs 349-1-0 per annum is paid from the Koppa Taluk to the Sri-Palamavara Matt at Udipi in the South Canara District, but the Expenditure is not subjected to the Scrutiny of the Mysore authorities. It would be well to obtain from the Collector of South Canara a yearly certificate as to whether the object for which the allowance is granted, is fulfilled or not.—

Mahamadan Institutions

20. Among the

Mahamadan Institutions in this District, the most important is the Seriyur Dattatreya Bababudan Swami Darga in the Chikmagalur Talk. This Darga is located on the Bababudan Hills or Chandra Drona Parvata. which is the cradle of the Coffee Industry in Mysore. This Institution is in the custody of a Musalman Kalandar. At present, the post of Sajjadé or manager of the Darga is held by Mr. Syed Murtuzuja Shakhadri whose succession to the late Mr Syed Ghous Shakhadri, Khan Bahadur, was recognised by Government in Proceedings No 1159 Rev Dept—01 dated 24th November 190

As a mark of honor, he enjoys the privilege of Exemption from personal attendance in Civil Court and from the operations of the Arms Regulation The Inams granted to the Durga consist of the Sarvamanyam village of Sirsappa assessed at Rs 306 and 3/4ths of the revenue of the coffee lands comprized in the village of Dattatreya Pita, Chikmagalur Taluk. The latter village is under the management of Government under the authority of Government Proceedings No 710-11-7 dated 28th April 1884 - The income from these villages amounts to about Rs. 1066-9-5 and is devoted to the maintenance

Receipts

24. The receipts during the year amounted to Rupees 37,506-10-8 against Rupees 29,353-15-7 in the year previous as shown hereunder, exhibiting an increase of — Rs 8,152-11-1:—

Total.	29353 15 7	30

The increase of Rs 9520.10.7 under the head "Income from Inam lands" is attributable partly to the collection during the year of certain outstanding balances due by ryots holding lands belonging to the Sri Rushya Srunges-wara temple at Kigga, partly to the revision of the annual gutta amounts payable by the said ryots, resulting in a general increase of about 6 annas in the Rupee, but chiefly to the Revenue on account of Sandal amounting to Rs 7467.11.11 having been credited to the Sri Kaleseswara temple at Kalasa during the year under report, while no such credit was afforded during the previous year. It may be noted here that the temples at Kalasa and Kigga enjoy the right to the revenue from Sandal trees

trees growing on their Inam lands.

The income under the head of Mohatārfa represents the rent on account of shops opened during 'gāthvās' It is a fluctuating item.

26. The interest on Investments of Surplus Funds amounted to Rs 4379-4-8. and calls for no remark.

27. The variations in the items of receipts call for no special notice

Expenditure

28. The expenditure under various heads during the year under report amounted to Rs 24050-3-0 against — > Rupees 19,756-1-8. in the year previous as shown in the statement below.

	Total	19756	1	8	24050	"	"	

29. The increase of Rs 4294-1-4 in items Nos 1. 2, 7 & 9 is attributable to the payments made during the year under report on account of arrears of Establishment Charges in Krishna District and to the Charges incurred in the Kistna Pushkaram held at Vijaya

previous years. These arrears accrued, owing to the mismanagement of the temple affairs by the late Vahivatdar Visweshvaraya as reports to Government and the necessary adjustments and payments were made during the year under report.

The fluctuations in other items of expenditure call for no remark.

Closing Balance

30. Deducting the expenditure of the year under report from the total receipts including the previous years balance, there remained a closing balance of Rs 69,221.5.6. as per particulars given hereunder.

Total Rs. 1,19,739-9-11

33. Out of the Savings to the credit of the Muzrai institutions in the District a sum of Rs 4618 has been ordered in para 10 of Government Proceedings No. 2892—901 Muzrai 7. 5-96 dated 19th March 1904, to be debited in adjustment of certain Provincial Muzrai advances or deficits, but effect was not given to this order during the year under report owing to the non-receipt from the Comptroller of correct accounts of balances of each Institution made up to the end of June 1904.

34. Similarly an annual charge of Rupees 1570 has to be debited

under the order above quoted to the Savings of the Sri Kalaseswara temple at Kalasa on account of clerical establishment etc maintained in the Mysore Secretariat and in the Comptroller's office

Pudavat Funds

35. In addition to the above assets, bonds for loans made to private persons on condition of performance of specified services are held by various temples; some of these bonds are time-barred and there is no prospect of the advances being collected.

Steps have been taken to recover by means of a civil suit the loan of Rs 2500/ due by one Devara Sastry to the Sri Rushya-Srungeswara temple at Kigga. A decree has been obtained and Execution proceedings have been.

been applied for.

No regular account has hitherto been kept of these advances, but the necessary information for a register of these funds proposed to be kept in the District Office has been called for.

Repairs

36. Under this head a sum of Rs 190. 5. 8 was disbursed during the year under report on account of an Estimate sanctioned for rebuilding the Chatram at Kadur. The outlay was incurred in dismantling the building and levelling the ground. It is proposed to submit a fresh Estimate for the construction of a new building in the place of the old one. The feeding is now held in the Government Musafarkhana.

37. The following repair works were undertaken

during the year under report, but owing to the non submission of bills by Amildars in proper time, payments could not be made for them within the close of the year.

(1) Repairs to Haricharpur Matt

(2) Repairs to the Carhouse belonging to Srikodanda Ramaswamy Temple at Hirimagalur.

(3) Repairs to Compound wall of Kalasa Temple

(4) Repairs to the Car at Kalasa.

(5) Repairs to the Carshed at Kalasa.

(6) Repairs to the revetment wall of Kalasa Temple.

(7) Repairs to the Hemavati Ganapati Temple

(8) Repairs to the Prasanna Someswara Temple at Somapur.

38. The Temple of Sri-Rushiya Srungeswara at Kigga is in urgent need of repair. An estimate of Rs 9500/ was

was submitted for sanction in this office No. 498 dated 25/27th April 1904; but it was returned unsanctioned as the contribution promised by Mr. Cheruvu Kesava Rao amounting to Rs 3868/ had not been actually collected. Some of the works specified in the Estimate being urgently required to prevent further decay and consequent heavy expenditure, Mr Cheruvu Kesava Rao was authorized to carry out such works within the amount of contribution promised by him. He has accordingly executed works amounting to Rs 3868/ and Government sanction has been solicited to the remainder of the Estimate leaving met from Muzrai fund 39. The Navitheertha Matt is also in urgent need of repairs. A portion of it has

has already come down. The restoration would cost more than Rs 5000/, but there is no money to meet it. The Guru of the has since returned to Harihar pur from his tour and it is proposed to convene a meeting of the Shivalli Brahmins who are interested in the Matt in order to raise subscriptions for the repair of the building

40. The condition of the temples at Hebbe, Khandya and Phalguni is far from satisfactory The Bhavani Sankaraswami temple at Hebbe is in ruins. The whole of the Prakara requires to be rebuilt. An estimate of Rs 6590 was prepared in 1894 for the repair of this temple out of which Rs 1069/ are to be met from private

private contributions and Rs 1000/ subscribed by the Kalasa Temple. But in Government Proceeding No. 296-7 Mwg 7. 25-9 dated 15th September 1894, werfeil works costing Rs 5740 were alone sanctioned and the Estimate was ordered to be resubmitted after the promised contributions were collected. Since then, the endeavours made by the local authorities in the matter of the collection of the promised subscription have resulted in the realization of only Rs 383 while the Kalasa committee have refused to contribute Rs 1000/ from the funds of that temple. The tardy collection of subscription

subscriptions has been due to the depression in the coffee, Cardamom and arecanut industry in the malnad. For these reasons the repair work has not been started and the building has consequently deteriorated further. A revised estimate has now to be prepared for the work to be done; but for this purpose no professional assistance is available as the employment of the District Subovereer on the work is objected to by the Chief-Engineer If approved by Government the District Subovereer will be employed in preparing a revised Estimate. The same remark applies to the Kandyer and Phalguni temples.

Appointment of Dharmadarsis

41. During the year under report, the Vahivat dar of the Sri Ranganatha Swami temple at Hosahalli in the Kasaba Taluk was replaced by a committee of five Dharmadarsis under the supervision of the Amildar.

42. The jewellery of the Sri Rushya Sringeswara temple at Kigga was examined by me and a catalogue prepared. All the important temples except Kalasa were inspected by me during my tours.

43. From a Mutt point of view, this District is important as, in it, are situated the Sringeri Mutt which is the most important of the Smartha Brahmin Mutts in India the Dattatreya Baba-budan swami dargah — which

which is sacred alike to the Hindu and the Mahomedan; the Balehalli Simhasana / Matt at Balehonnur, the head quarters of the Lingayat Guru and the temples of Sri Kalaseswara at Kalasa and Sri Rushya Srungeswara at Kigga which are held in high esteem in this part of the country.

Total Rs 7925-15-8

Receipts.

8. The receipts during the year under report are given in the following Statement

Heads of Receipts	Receipts of last year			Receipts of current year			Difference if any		
Cash allowance paid by Government on account of Establishment Charges, Padtara &c	5569	10	3	5401	15	10	− 167	10	5
i Receipts under Land Revenue and Tangadi bark	4957	8	3	5918	11	9	+ 961	3	6
ii " Pudivat Fund	517	4	7	224	14	1	− 292	6	6

Total	12119	14	6	14063	12	7	+ 1943	14	1

i The decrease under this head is Chiefly due to the amount of ready money cash allowance of Rs 24-3 0 per mensem payable to the Murge Matt at Chitaldrug having been stopped until further orders in view of the Contumacious conduct of the late Guru in having passed

in procession in the streets of Davanagere with Adda Palake and other prohibited insignia Accordingly, the amount was not drawn from the Treasury.

ii The Inam lands Endowed to several Institutions are mostly in the possession of the pujaries, who utilize the proceeds thereof for puja and maintenance of light. Such proceeds are annual calculated by deducting the Jode from the assessment of such Inam lands, the amounts so deduced being shewn on the credit as well as the debit sides se- -multaneously Except in the following cases to which the increase shewn during the year under this head is Chiefly due

Sri Jyaramalleswara Swamy temple in the Harapyer Taluk	530-15-:
The income of the Mutts in the Harapyer Taluk brought on the accounts for the first time this year	220-2

Basavankote Prana Devaru temple in the Jagalur Taluk } 104 0 0

° Jarehalli Ranganatha Swami temple in the Jagalur Taluk } 44-0 0

Sokke Hanumantha Devaru temple in the same Taluk } 44 0 0

and a few other minor Inams aggregating Rs 961-3-6

iii The amount Chiefly Consists of the interest on the Government of India Pro Notes &. The income of Rs 517-4-7 under this head shewn in the last year return comprised a lumpsum of Rs 375/- being the interest on the sum Endowed to Sri Lakshmi-Narayana Swami temple at Chellakere by the late Mr Gundappa This item was not drawn during the year under report Hence the decrease under this head

iv This is a fluctuating item and calls for no remarks

iv The receipts under this head are as follows –

Chalrāms	1324-7-11
Temples	1168-12-0
Total Rs	2493-3-11

The former includes a sum of Rs 245-12-8 sanctioned out of the State grant for the repairs of the Anna Chalrām at Hericzes, while the latter includes Rs 1033-2-6 sanctioned out of the State grant for the repairs of Sri Ranganatha-Swamy temple at Komaranahalli in the Harihar Sub-Taluk The further increase in favor of the Chalrāms is attributable to the saving effected by the stoppage of the issue of raw rations in the Chalrām at Chitaldrug and Hangal.

9 The Expenditure during the year under report is shewn in the annexed table –

Details of heads	Expenditure of last year			Expenditure of current year			Difference if any		
i Cash Grants from Government including Establishment and Paduāra Charges met from Charity funds	6352	3	2	6056	9	7	-295	9	7
ii Charges sanctioned by Nirupa	3984	3	9	3754	.	2	-230	3	7
iii Charges from Pudivat Fund	.		.	20			+20		
iv Repairs to Institutions &c	705-	14		1637	11	6	+931	13	6
Total	11042	4	11	11468	5	3	+426	.	4

i The suspension of the Cash allowance payable to the Guru of the Murge Matt and the non-payment of other items due to certain temples owing to the absence of claimants accounts for the decrease under this head.

ii The income of the lands assigned to Sri Iyaramalleswara Swamy temple in the Honnavar Taluk which was hitherto shown on the credit and the debit sides simultaneously - as stated in para 8 supra has now been shown

shewn on the credit side on Cy reserving the amount for future Expenditure On the other hand, there was an addition of Rs 220-2-0 being the land income shewn under the debit side of the matts in the Hariyur Taluk for the first time this year These Chiefly account for the difference under this head

iii The Expenditure under this Lead was incurred on account of the Sri Prana Devaru at Bommanagondanakere in the Molacalmuru Taluk referred to in para 2 Supra

IV The Expenditure under this head was incurred on the Anna Chatrām at Chitaldrug and the Sri Ranganatha Swamy temple at Komarenhalli as will be Explained hereafter

The cars could only be bolstered up temporarily; they were made more than ½ a century ago, and had been exposed till the otherday to the rigour of the weather: and are therefore much damaged. They require to be thoroughly repaired; and estimates have been submitted there-for to Government.

CONCLUDING REMARKS.

7. Many of these structures require extensive repairs; without which their rapid disintegration and further decay cannot be arrested. Proposals for this purpose are before Government.

8. There is a great deal to be achieved in these Institutions to bring them up to date and to assimilate their internal economy with modern and reformed requirements. But it is a work of time and resources, and it is hoped that it will in time receive appropriate attention.

9. The undersigned begs before conclusion to express the hope that His Highness' Government will be convinced

that

that he leaves all these Institutions better and more efficient far than he found them 7 years ago.

I has the honor

the Muzroi Adminis-

Kolar District for the
Year 1903-1904.

M. N. Rao
Deputy Commissioner
Kolar District

Muzrai Administration Report of the Kolar District for the year 1903-1904.

The number of institutions (including stipendaries) in the Kolar District enjoying Cash Allowances from the Muzrai Department was 219, the same as in the previous year. But the number under the several institutions slightly varies as compared with that for the year 1902-1903, and the explanation for this slight variation is given in the

Remarks

remarks column against each institution in the appended statement. The amount of ready money allowances paid for the above 219 institutions during the year under report was Rs 15,180-12-2, as against Rs 13,360-13-0 in the previous year as will appear from the Statement No I c/1 appended hereto, shewing that there was an increase of Rs 1819-15-2, during the year under report, and the c/1 explanation for this increase is given hereunder in detail.

(a) In the Anna-
-Chatram at Narasimha
Theertha, Mulbagal
Taluk

Yalick, the feeding of travellers was ordered to be stopped and the system of issuing raw rations as a tentative measure introduced instead. As this did not give satisfaction to the travelling public, the feeding was ordered to be revived as on before in Government Order No 3237-8 dated 14th April 1904. This reversion to the old system involved an additional expenditure of Rs 11-8-0 per month on account of increased establishment. After the receipt of Govern-ment order, payment was made according to the increased scale for

for only one month and the increase exactly c7 represents this amount.

(b) The amount shewn under Temples in the Chintamani Taluk in the previous year was Rs 3 85-1-0 and against this a sum of Rs 385-4-0 was shewn in the year under report, showing an increase of three annas, and this c7 increase was omitted to be shown in the account for 1902-1903 by oversight.

(c) Under Temples in the Mulbagal Taluk, a sum of Rs 1868-15-0 is entered for the year under report against Rs 316-15-0 in the year previous, showing an increase of Rs 1552/-. This

increase

increase is due to the insertion of the esta-
-blishment and other charges as fixed by Government in Pro-
-ceedings No. 937-9 Mug 7 171-92 dated 22nd June 1893 to the Temple of Sree Anjaneyaswami at Mulbagal. The Taluk Authorities have hitherto failed to show this amount in the monthly and annual returns submitted to this office, and clear instructions have now been given to include it in future returns to be submit-
-ted to this Office.

(d) The amount of Annual Cash Allot-
-ment to the institution

ies

in the Bagepalli Taluk was Rs 206-12-0 till the year 1902-03; out of which, a sum of Rs 17-7-0 was given to the temple of Sri Venkatramana swami at Devaraja Gudepalli every year. As this amount was found insufficient to meet the cost of an additional establish-ment, Government were pleased to increase the grant from Rs 17-7-0 to Rs 232-7-3 in Govern-ment Order No 908-9 Muzrai dated 28th Octo-ber 1903.

(c) The amount of Rs 43-3-11 being the ~~_____~~ Kodagi Allowance in the Mulbagal Taluk, which was omitted to be shown

shown in the return for 1902-03, is now entered as a separate item under Kodagi.

(4) The decrease of Rs 2/- observed under Miscellaneous in the Sidlaghatta Taluk is due to the death of a Stipendiary, who was in receipt of a fograss allowance.

2. At the beginning of the year under report, there was an opening balance of Rs 28,214-9-11.
